Weekly Update

We had a great Spring Break this last week and the Campground was buzzing all week long.

It looks like Mother Nature is giving us one last snowstorm and some chilly weather this coming week. The mountain passes have been hit with snow and road closures also.

From now until October, the campground will be close to full every weekend. We hope everyone drives safe and has a great Easter weekend ahead.

We hope to see you soon!

Superintendent's Corner

Hello Golfers,

First, I need to say thank you to everybody who played through aeration and followed our guidelines. I appreciate your patience. Aeration was a success, and the greens are set to bounce back in no time, especially with the wet weather that we are due to receive at the first of this week. The one factor that can slow down the process is temperature. We will be leaving up our frost warning signs, so please stay off the course until air temperatures have reached 40 degrees and check in with the pro shop, especially in the morning, as some greens that are shaded may still be frosted over.

Now that the turf has started to show a significant amount of growth, we will be entering our regular mowing schedule. This means that you can expect to run into some of our crew on mowers in the rough and fairway, especially in the earlier hours of the day. Some of you may have noticed the new shaping to the fairways. We are adding more rough between the tee boxes and fairways of almost every hole. I'm also in the process of cutting in more attractive lines around the greens and approaches. I'm excited to see it happening, so I hope you enjoy the changes. Thank you and have fun!

South Park Invitational message: May 13 - 15

Doug and Rob from South Park are putting another golf tournament together. The format is a 4 person scramble and the dates are May 14th and 15th. There will also be a horse race Friday evening the 13th. We have roughly 9 teams who participated last fall and would like to increase that number to 18. There will be men's and women's divisions. We need a head count in order to calculate how much the PUD will charge us. Your registration fee will cover greens fees, prize money, dinners, breakfast Saturday and entertainment at the Sunfire Saturday night. Please email Rob at robert.johnston@usbank.com, or you can text or call him at 425.785.8635. More details to follow once we have an accurate headcount.
