Superintendent's Corner

Hello Golfers,

It's another beautiful week at Crescent Bar. We really appreciated the rain over the weekend, as this definitely helps the grass get off to good start with moisture build up in the soil and of course greening up the grass.

We are doing the Greens aeration this week (Wednesday – Friday), so please be on the lookout for our crews working on the course. Golf rates will be discounted this week to \$15 for all day golf and through this coming weekend as the Greens continue to heal. The Golf Course will be Open during aeration, the pins will be moved in front of the greens while that green is being worked on.

If you have any questions, the Pro Shop staff will be able to answer them. Thank you.
