Weekly Update

Well, we all survived this past weeks heat wave. With temps over 100 most of the week it was one for the record books. Many places in eastern WA broke records for most consecutive days over 100 degrees.

On top of that we had the Watershed Festival at the Gorge. As always we had plenty of the Shedd's visit Crescent Bar and all it's fine beaches, parks and restaurants. The Shedd's came out in force and record breaking numbers and parking. For the most part everyone stayed safe and hydrated and kept the trash to a minimum with crowds we had.

Happy 1st Day of August!

Bookmobile will be on-site Monday's

August
1st & 15th

Watershed 2022

Crescent
Washington

Superintendent's Corner

Golfers,

Hard to believe it is August already. After today's triple digit temperatures, it looks like we might not see 100 degrees again in 2022, and by the end of the month, temperatures at night are sure to enter the 50s. This is great news for our turf that is struggling to recover from lack of water due to some irrigation issues. It'll be back on its feet in no time and once fall rolls around we will have a chance to seed over some areas.

The greens are showing great signs of health and little to no fungus related disease as well, rolling at around 9. Be prepared for hole 7 to be closed sometime within the next couple of weeks. There will be some service being done on the main line.

Thank you and enjoy the course!
