Weekly Update

This last week was beautiful with nice weather for golf in the mid 80's. This coming week will definitely warm up as we see high 90's and some triple digits.

The golf course and beaches have been getting a lot of use, which is great to see. This also means that sometimes belongings are left behind. We get a lot of lost items turned into the Office, please check with us to look for your lost items.

We have our 2nd Night Golf of the season coming up this Saturday July 16th, registration is currently Open, call the office to secure your spot. More information about Night Golf is provide further in the Newsletter.

We also have seen an increase in vandalism and thefts, please reach out to us if see or hear anything. Thank you!

GOLFERS ARE ENCOURAGED TO BRING A FLASHLIGHT WITH THEM TO
NAVIGATE BETWEEN HOLES!

Superintendent's Corner

Golfers,

Thank you for playing around the work taking place on the course. We have had several leaks and malfunctions in the system. There will be some more work taking place this week, but hopefully nothing large enough that requires us to shut down a hole again. I appreciate your courteousness this past week to myself and the rest of the crew.

The weather will be in the mid to high 90s for the next few days! The greens are rolling great and should be playing extra fast with the high temperatures. These conditions will be perfect for the upcoming night golf, taking place on the night of Saturday the 16th. Be sure to sign up in the pro shop while you still can! Spots are filling fast. Thank you and enjoy the course.
