## Weekly Update

It finally feels like Summer! We are getting these Amazing central Washington summer days and nights. The sunsets have just been spectacular. We have plenty of heat and sun coming up in the next few weeks as temperatures looks to stay around 100 degrees.

We had our July Night Golf this last week Saturday night, with a great group of golfers and perfect weather. Thank you to everyone who participated and the group photos are up on the website.

## Superintendent's Corner

Golfers,

Thank you to everybody who participated in Night Golf this past Saturday evening! After today's cooler temperatures and wind, it should heat right back up for the rest of the month. Remember, when the wind picks up to beware of falling branches and even trees on the course. It's a good idea to drive or walk on the right side of the fairways of holes 7 and 8 and avoid hanging out under the trees between green 3 and fairway 7. The greens will be dethatched with a verticutter towards the end of this week, which will help to speed them up and keep them rolling true. Thank you for keeping ball marks to a minimum. It's a big improvement from last year and it makes a huge difference in fighting disease and keeping our greens looking great. Enjoy the course!
