Crescent Bar Golfers,

## Superintendent's Corner

We are halfway through May, and I can already start to feel summer in the air. 75-degree days are on their way. Thank you, Rob and Doug, and all of the great people and put together the South Park Spring Invitational and thank you for all of the kind words about the course. It's a team effort around here. The course crew, and all the CWM team contributed to making the course ready for such an event, and it was my pleasure to take part in it.

The greens are rolling great with a speed around 8-9. Letting them grow thick through the early spring paid off and is going to contribute to their health throughout the summer season, which is not far away. This week is going to deliver some great golfing weather, so go and take advantage of it while you can!
