Superintendent's Corner

Hello Golfers,

It sure has been some great golf weather lately. We have been fertilizing this week and last week. The grass grows faster right after a fertilization. So, our crews have been mowing a lot more to keep up with the extra growth.

A few reminders as we get into the busy season:

- Please keep dogs off of the golf course.
- Make sure to book your Tee time, our weekend tee times will start to fill-up.
- And please show-up a few minutes early to your tee time, to help keep the flow moving.

Thank you!

Warren Lybbert
