Weekly Update

We have had such a fun Spring so far this year. With hosting the Quincy Chamber of Commerce Cliffside Golf Tournament on Friday. Then to have all the Amazing Classic RV's in the Campground was a sight to see. It was so much fun to have so many of you walking through the Campground to see these Awesome RV's.

This coming weekend of course is Memorial Day! We are expecting to be busy as always. Plan ahead, travel safe and we can't wait to see you!

Superintendent's Corner

Crescent Bar Golfers,

The next few days should bring us some warmer weather in the 70s, but watch out for this weekend, you might have to battle the wind and rain. With temperatures soon to reach into the 80s and 90s, I will be making some adjustments to our rough sprinklers. Our irrigation system waters both the golf course and the parks, and although it's an impressive high output system, we can't achieve all our watering of the course at night. Expect some roughs to be watered periodically throughout the day and do your best to play around them. I know I take free relief into the fairway whenever I get the chance! Thank you for understanding.
