Weekly Update

Memorial Day is upon! We are excited for the official kick-off to the summer recreation season.

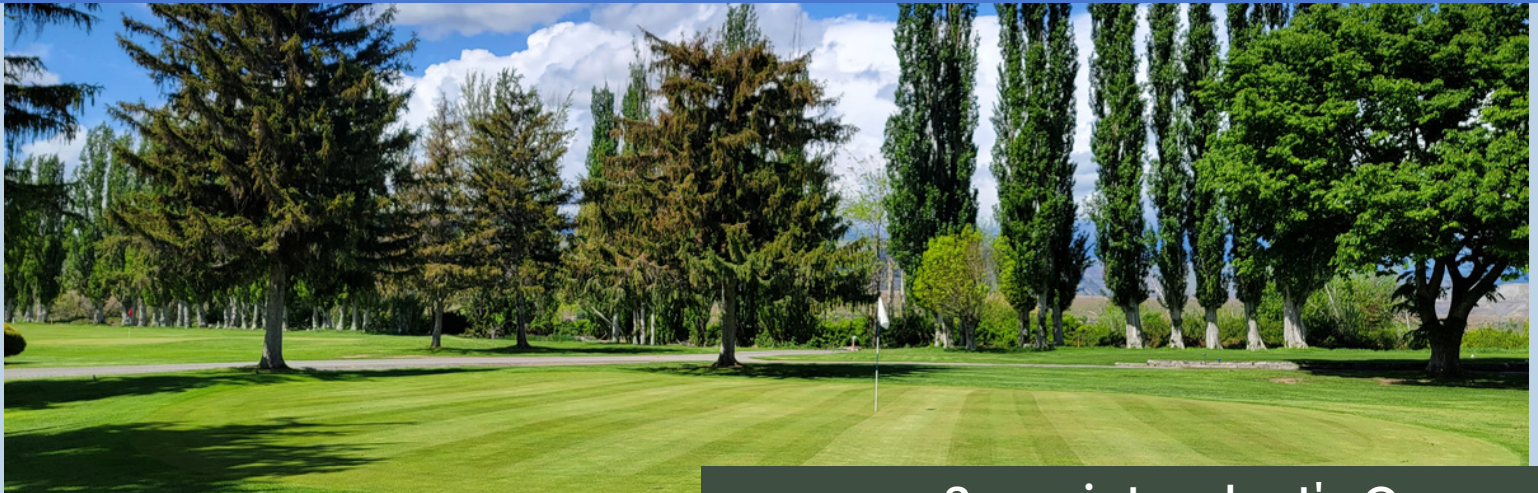

The busy Holiday weekend gets underway starting Thursday, with our biggest influx of campers coming in early. The weather looks to be warmer this year than the last few years where we had rain over Memorial Day.

All restaurants and grocery stores are Open with extended hours for the Holiday.

The Fuel dock is Open 7-days a week. Have a Great Holiday!

Superintendent's Corner

Hello Golfers,

Memorial Day is upon us already. It looks to be a nice weekend and we will have a full campground starting Thursday night. Please call or stop by and book your Tee times in advance.

In communication with Grant PUD we are doing a rate increase, effective immediately. This does not affect already paid Memberships. The daily rates of 'pay-as-you-go' prices will see a \$5 increase. We have the new rates posted in the Pro Shop.

For Members, expect to see a Membership rate increase next season 2024. This is in-line with the Grant PUD 5-year golf course analysis and viability of the golf course income.

Thank you again for all your support. We look forward to great season.
