2023 EARLY BIRD GOLF MEMBERSHIPS AVAILABLE

Golfers,

Superintendent's Corner

First off, we have some happy/sad news. We want to thank Porter Hodges for his work this year on the Golf Course. He really helped the fairways take shape and the greens run smooth, he has a great eye for turf. We unfortunately are sad to announce that Porter will be moving onto greener pastures, in the Real Estate world. We wish him and his new wife the best of luck in their future endeavors. They both made a great team working for us this year.

On a different note, we have brought back some past staff that are very familiar with our course. We are excited to have Ramon & Sergio Sanchez here and the 15 years of experience and knowledge of the irrigation system they bring is a huge plus for us. They have been around for few weeks already getting things into shape. We are looking forward to a great 2023 Golf season.
