Weekly Update

We are still getting some nice warm weather. We are getting smoke rolling through most days, but not as bad as a few weeks ago.

This will be our last Open Saturday this year. The Office will be closed on Sunday and all weekends moving forward.

The Campground water is still on this coming weekend and the water goes off October 18th. We keep the Campground bathrooms open year-round. We do have some sites open this weekend, give us a call.

Also, now is a great time of year to get out on the Golf Course. Beautiful Fall days at Crescent Bar.

Golfers,

Superintendent's Corner

October has gifted us with great weather for golfing. The greens are recovering nicely and will firm up as fall continues. This week you can expect to see some areas covered in seed and peat moss and flagged off. Please keep out of these areas with any carts and treat them as ground under repair. If we can germinate seed at a high rate of success the results will be healthy, thick turf in the spring of next year. The weather is due to cool off before long so enjoy the warm days while you can. Have fun!

Porter Hodges
Golf Course Superintendent
Crescent Bar Recreation Area
Central Washington Management Group

Note from the Pro-Shop:

After Saturday October 15th the office will be closed on weekends so please remember to drop a members round ticket in the honor box or stop by Mondays and we can get you caught up.

If you have any non-member friends playing remind them to use the Honor box and save the receipt since we have a new marshal patrolling the course on weekends.
