Weekly Update

Welcome to the last few days of Summer! It looks like we still have some decent weather days ahead of us, but these mornings sure are cool.

Grant PUD has a scheduled power outage tomorrow all day 8 AM - 5 PM. Please see the attached notice below for more details. The Campground/Pro Shop office along with the fuel dock will be closed all day Tuesday.

The campground continues to be busy, but we still have some openings and we are about month out before we turn the water off for the winter.

Powering our way of life.

IMPORTANT NOTICE OF

SCHEDULED POWER OUTAGE

Crescent Bar area south of Sunsera
Tuesday, September 20, 2022 - 8 a.m. - 5 p.m.

Grant PUD is making necessary upgrades to the electrical equipment that delivers energy to our customers in the Crescent Bar area south of Sunsera.

We understand that a power outage creates a significant disruption in the lives of our customers and we appreciate your patience with us as we complete this necessary work to enhance the reliability of our power service.

For more tips visit us at www.grantpud.org/outages or scan the QR code.

If you have any questions, please call us at 509-766-2505.

Superintendent's Corner

Golfers,

The leaves are turning, and it looks like some colder weather with wind is on its way later this week. The Fall South Park Invitational took place this weekend. I hope you all enjoyed the course and had a great time. From talking with a few members, it sounds like it was blast. Too bad I wasn't there to defend longest drive, maybe next time.

Tomorrow (Tuesday) we will be without power for most of the day which means that our system will also be unavailable. The pro-shop will be closed, but we encourage you to golf and for those without memberships we ask that you use the honor box on the southeast corner of the building. The course is responding well to the cooler weather and the recent fertilizer application, and our damaged areas are in recovery. Enjoy the course!
